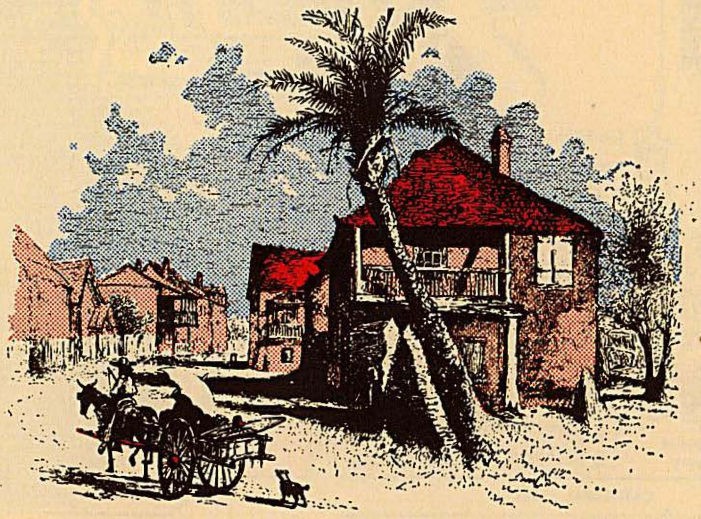
The Oldest House

UNDER FOUR FLAGS

Saint Augustine, Florida

THE OLDEST CITY IN THE UNITED STATES

14 SAINT FRANCIS STREET



St. Francis Street, St. Augustine
(From an old sketch)

You can explore the Oldest House even during inclement weather, as all walkways are sheltered. The admission charge of fifty cents is made for maintenance and to further the Society's program of historical research and preservation. (The Society's library houses the largest collection of books, maps, and other source records relative to St. Augustine and East Florida.)

History doesn't happen between the covers of books, it is merely recorded there. History happens to people — and it happens on the land. Seeing where history happened makes it more intimate and meaningful to us.—JOHN W. GRIFFIN.
